

2024 STEM YEA VOLUNTEER INFORMATION

STEM YEA VOLUNTEERS

The 2024 STEM YEA program will require adult volunteers to help supervise, monitor, guide, and assist STEM YEA students during their time at the Academy. The program will need volunteers throughout the 80-hour time frame of the Academy from **Thursday through Sunday evening (July 11th to July 14th)**, including daytime, evening, and overnight hours.

We need volunteers to help with registering students on the 1st day of the Academy (Thursday morning in the early afternoon) which includes help setting up the registration table. We also need volunteers throughout the college to direct students' parents to the parking lot, the registration site, and to the dormitories, along with help in the dormitories to get the students situated into their correct room assignments.

During the Academy sessions, volunteers generally will be with the students for a good portion of the day. Most of the volunteer contact will occur in group settings, but there may be times when a pair of STEM YEA volunteers needs to take/assist a student to go to another campus building or area for medical attention, to pick up an item that was forgotten/left behind at some location, or for some other reason. **Overnight volunteers** will be responsible for monitoring the students on the dormitory floor. (Overnight volunteers will be assigned a room).

In addition, **we will need volunteers to help with the final day's celebratory dinner event** (Sunday 3:00 PM to 8:00 PM), manning various stations on the college campus to direct students' parents, business sponsors and guests to the parking lot and the event location and assisting with the setup of event decorations.

So, if you would like to volunteer, please enter your name and contact information.

DISTRICT 7430 is committed to creating and maintaining the safest possible environment for all participants in Rotary activities. It is the duty of all Rotarians, Rotarians' spouses, partners, and any other volunteers to safeguard to the best of their ability the welfare of our students and to prevent the physical, sexual, or emotional abuse of children and young people with whom they come into contact. Each volunteer will be contacted by the District 7430 Youth Protection Compliance Officer for STEM YEA regarding Youth Protection Compliance procedures.

If you have any questions or need assistance, please contact Mike Orbin at 610-703-4292 or email at morbin@ptd.net.

THANK YOU FOR YOUR WILLINGNESS TO SERVE.
